

2017—2018 BOOSTER CLUB

Get ready for another exciting year of Lady Jets and Jets basketball! SGTC's coaches and supporting staff have been working hard all summer long to develop two basketball teams that will take our school to new heights! We have players from all across the United States and from six other countries that have chosen to come here and become apart of the SGTC legacy.

Operating a quality athletic program such as ours comes at a cost. The Jets Booster Club acts to provide supplemental financial support to the basketball program for things such as scholarships, travel expenses, and other necessary expenditures to help our student athletes succeed. Last year, the Jets Booster Club donated nearly \$8,000 to the basketball program. We are most grateful to last year's members for making this contribution possible.

Listed are several membership levels for you to consider. If you would like to become a part of the Jets Booster Club Board of Directors, or help out with Jets Booster Club functions and events, please indicate so at the bottom of this form, and a current board member will contact you.

Thank you for the generous donation of your time and financial resources. Your contribution can change the lives of our student athletes.
