President's MESSAGE

The Secret to getting ahead is getting started

Dr. John Watford
President, SGTC

Mark Twain wrote "the secret to getting ahead is getting started." This is a simple but true statement that can "change lives." In order to finish the race, we first need to start the race. The same is true about an education or career skills. Individuals must decide to put in the time and effort to gain the skills needed to become successful. South Georgia Technical College is ready, willing, and able to help individuals get ahead.

As we reflect over the past year and prepare for the new year, I would like to say "Thank you" to the faculty, staff, students, and the community. The past two years have been challenging. Individuals may have been hesitant to start something new or add to an already full plate. However, South Georgia Technical College's faculty, staff, and administration have stepped up and done what was necessary to ensure that when an individual was ready to take that first step, we were here to help propel individuals towards the career of a lifetime.

I am thankful for the people who make this happen and I am very humbled to be a part of communities filled with individuals and business and industry leaders who support South Georgia Technical College and our mission of workforce education.

Even with the challenges of the coronavirus, South Georgia Technical College has been successful. South Georgia Technical College was chosen as the top Community College in Georgia for the third consecutive year by Niche.com. Niche assessed nearly 1000 colleges across the nation based on statistics such as: academics, average loan amount, alumni earnings, student surveys regarding value and professor quality, awards won by faculty, student-faculty ratio, retention and graduation rates, and overall student experience.

South Georgia Technical College also was selected by the Aspen Institute as one of only 150 institutions from across the nation eligible to compete for the $1 million Aspen Prize for Community College Excellence, the nation's signature recognition of high achievement and performance among America's community colleges. There are over 1,000 community colleges nation-wide.

And while other colleges were having trouble retaining students, South Georgia Technical College was ranked 11th best in the nation in graduation rates by the Chronicle of Higher Education. South Georgia Technical College was the 11th best two-year public college in the nation for graduation rates of first-time, full-time, degree or certificate seeking students who entered and completed an associate degree or earned a certificate at the same institution within 150 percent of the normal time to complete for that program. In addition to that number, South Georgia Technical College also had a 100% job placement rating for graduates.

One special group that excelled during this pandemic was South Georgia Technical College's practical nursing students from both the Americus and the Crisp County Center. This group achieved a 100% pass rate for the 2021 National Council Licensure Examination (NCLEX). And these individuals now are employed in our communities. It is very difficult to achieve the elusive mark of 100% pass rate in the very best of circumstances but to accomplish this during the unprecedented stress on healthcare systems is a remarkable achievement. They chose to take the first step toward getting ahead.

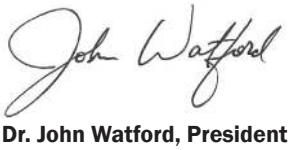
South Georgia Technical College has added new instructors for the Aviation Maintenance, Commercial Truck Driving, Computer Information Systems, Horticulture, and general core programs. These new positions were created to help provide the services needed to help students continue to be successful in their career ambitions.

For many people, the past two years may have resulted in isolation, feelings of being disconnected or restlessness. Maybe the connective tissue that is a result of positive relationships and just being together has frayed. South Georgia Technical College is doing our part to help bring that to an end.

Just recently, the SGTC faculty and staff banded together to host the second annual Drive-Thru "Light Up Your Future" celebration for the community in an attempt to share the different opportunities available here while giving back to the community through a celebration of lights and a spirit of encouragement. Over 1000 individuals drove through the SGTC campus for this event. They made the decision to "Move Forward."

At South Georgia Technical College, I hope we always make decisions to positively impact our community and our students. What decisions are YOU making now as we enter the new year that will change your life and the lives of others tomorrow? If you decide to take that first step toward getting ahead, I hope you choose South Georgia Technical College.

The Spring Flight Plan is filled with information about outstanding students, excellent academic programs, important information about how to enroll and register, and a list of the classes offered this semester. All that is required now is for you to decide to take that first step. Spring Semester starts January 12th, 2022. Registration is January 10th.



Dr. John Watford, President

DEADLINE TO APPLY FOR SPRING GRADUATION
FEBRUARY 23, 2022

SPRING SEMESTER GRADUATION
MAY 5, 2022

If you are eligible to graduate and would like to march in the Spring Commencement Ceremony, call 229.931.2252 before the deadline to apply.

PRESIDENT'S LIST

Summer 2021

To qualify for the President's List, the student must have 12 or more credit hours, be a regular admitted student, be in a diploma or degree program, and have a 4.0 GPA for that semester's work.

STUDENT'S NAME	MAJOR DESCRIPTION	CAMPUS
Amy Adams	Early Child Care Education Dip	Americus

SGTC NEW EMPLOYEES AND PROMOTIONS

Chris Ballauer
Head Coach - Jets Basketball

Chris Ballauer has been named Head Coach of the Jets basketball team. He served as interim coach last season. He is also a Sports and Fitness Management instructor.

Ballauer has had stints as an assistant coach with both the Jets and Lady Jets since coming to SGTC in 2013.

He has a Bachelor of Science in Exercise Science and Wellness from Georgia Southwestern State University and an Associates in Liberal Arts from Coastal Georgia Community College.

Ken Coptsias
Commercial Truck Driving Instructor

Kenneth Coptsias of Plains has been hired as a new full-time Commercial Truck Driving Instructor for South Georgia Technical College. Coptsias comes to SGTC from Sumter Trucking Company. He has also worked with Perry Brothers Oil Company, Highland Timber Thinning, Hauling Refuse, Inc., United Tree Planting, KRC Trucking and Professional Truck Tractor Auto. He was also owner of Carter's Fried Chicken Express.

He is a graduate of Georgia Southwestern State University with a Bachelor of Business Administration Degree.

Virgilia Edge
Assistant to VP of Student Affairs

Virgilia Edge of Americus has been hired as the Administrative Assistant for the Vice President of Student Affairs. Virgilia Edge comes to SGTC from The Staffing People where she was an account manager.

She has also been employed at Aaron's Sales & Lease, Phoebe Sumter Primary Care, Western Finance and 21st Century ASTEP.

She is a graduate of Americus-Sumter High School and earned an associate's degree in Business Administration and Management from Grantham University online.

Brandon Gross
Horticulture Instructor

Brandon Gross of Andersonville was hired as the new full-time Horticulture Instructor for SGTC. Gross earned an Associate of Applied Science in Environmental Horticulture from South Georgia Technical College and a Bachelor's of Science in Agriculture Educationfrom Fort Valley State University.

He had been an Agriculture Educator for the Sumter County School System since June 2016 where he taught Agriculture Mechanics, Horticulture/Plant Science, Basic Agriculture and more.

Jaren Harris
Assistant Coach - Jets Basketball

Jaren Harris has been named full-time Assistant Coach for Jets basketball after previously serving as a part-time assistant. He also continues his work as a tutor for SGTC students in Americus.

Harris Harris worked at Lee County High School from 2015 – 2018 and then worked with the Jefferson County Board of Education from 2018 through 2020. He has a Bachelor of Science in Health and Human Performance from Albany State University in Albany, GA. He also attended the College of Coastal Georgia in Brunswick and played basketball.

Paul Larkin
Aviation Maintenance Instructor

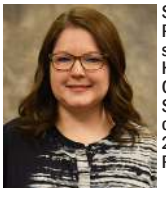
Paul Larkin, Jr. of Leesburg has been hired as a SGTC Aviation Maintenance Technology Instructor. He has over 40 years of experience with extensive knowledge and a verifiable record of success in automated logistics, aircraft maintenance and aircraft manufacturing along with a solid history of management in the military, civilian sector and as a civilian contractor. He served in the United States Navy as an Aviation Machinist and has an active secret security clearance. He has an FAA Airframe & Powerplant License and an FAA Private Pilot License.

Rose Leggett
Crisp County Center Math Instructor

Rose Leggett of Byromville has been hired as a full-time Mathematics Instructor for South Georgia Technical College's Crisp County Center Campus. Leggett had been a full-time Mathematics Instructor for Albany Technical College since 2013. Previously, she was the Assistant Director of the Math Lab for Darton College. She has also worked as an adjunct math instructor at Albany State University.

She has a B.A. in Mathematics from Albany State University and a M.Ed. in Mathematics Education from Albany State University.

Stephanie Preskitt
Human Resources Coordinator



Stephanie Preskitt has been selected as the Human Resources Coordinator for SGTC. She began her career with SGTC in 2018 as a Human Resources Specialist.

Preskitt is a 2005 graduate of South Georgia Technical College with an Associates Degree in Accounting. She was a Georgia Occupational Award of Leadership (GOAL) nominee, a member of the National Technical Honor Society and a recipient of the Hyliard Bryant Williams and Servetus Allen Williams Scholarship from the South Georgia Technical College Foundation.

Welding and Joining Technology	9 or more	$500

Eligible students enrolled in these specific programs taking 3-8 hours qualify for $250 per semester and those enrolled in 1-2 hours can receive an additional $125 per semester.

Verification of Lawful Presence in the United States

Effective January 1, 2012, all students applying for in-state tuition must provide validation of lawful presence in the United States. The following documents will serve as proof of lawful presence in the United States and documentation will be required before you are eligible for consideration of in-state tuition:

- A current Driver's License issued by the State of Georgia after January 1, 2008.
- A current ID issued by the State of Georgia after January 1, 2008.
- A current Driver's License or ID issued by a state that verifies immigration status and only issues to persons lawfully present in the United States.

The Technical College System of Georgia (TCSG) will accept the following:

- **Alabama**: Issued after August 1, 2000
- **Florida**: Issued after January 1, 2010 AND have a gold star in the upper right hand corner.
- **South Carolina**: Issued after November 1, 2008
- **Tennessee**: Issued after May 29, 2004.
- A certified U.S. Birth Certificate showing the student was born in the U.S. or a U.S. territory. A photocopy is not acceptable.
- An approved completed FAFSA for the current financial aid year.
- A current, valid Permanent Resident Card (USCIS form 1-151 or 1-551).
- A current, valid military identification card for active duty soldiers or veterans.
- A U.S. Certificate of Birth Abroad issued by the Department of State (DS-1350) or a Consular Report of Birth Abroad (FS-240).
- A current U.S. Passport.
- A U.S. Certificate of Citizenship (USCIS form N-560 or N-561).
- A U.S. Certificate of Naturalization (USCIS form N-550 or N-570).

Any student who cannot be verified as lawfully present in the United States is not eligible to be considered for in-state tuition, regardless of how long he or she has lived in Georgia. In addition to being lawfully present in the United States, students must meet the in-state tuition requirements as outlined in TCSG Board Policy and Procedure V.B.3 to warrant an in-state classification. Students that are initially classified as out-of-state and successfully petition to have their residency changed to in-state also have to meet the verification requirement.

Nelnet

Automatic Payment Plan

An easier way to pay for college

STRETCH YOUR TUITION DOLLARS

Advantages

- Easy online enrollment
- Monthly payment plan
- Flexible payment options
- No interest

Payment Methods

- Automatic bank payment (ACH)
- Credit/debit card

Payments are processed on the 20th of each month and will continue until the balance is paid in full.

Cost to Participate

- $30, $35, or $40 per semester nonrefundable enrollment fee depending on the number of payments (ACH & credit/debit card)
- $30 returned payment fee if a payment is returned

Simple Steps to Enroll

- Go to www.southgatech.edu
- Login to BannerWeb
- Navigate to Student Services and Financial Aid Student Accounts (Pay Online), Account Summary, Pay Online
- Select the Term
- Scroll to the bottom and select "Pay by Payment Plan with NelNet"

Financial Aid Reminders for 2021-2022

Complete the 2021-2022 Free Application for Federal Student Aid (FAFSA) and apply now!

GATHER THE INFORMATION

- Make sure you have filed your 2019 tax return.
- In most cases, you can use the IRS Data Retrieval Tool when you are completing the FAFSA to download your tax information directly from the IRS into the FAFSA.
- Value of assets, investments, businesses, investment farms, cash, savings, and checking
- Amount of untaxed income i.e. W-2s for non-tax filers, TANF, SNAP, SSI, Child Support, etc...
- Social Security Number and Birth Date
- Marital Status

APPLY NOW!!

- Complete the 2021-2022 FAFSA online at www.fafsa.ed.gov . Apply as soon as possible so the Financial Aid Office has sufficient time to process your application. A completed application (student aid report and any documents requested for verification) is required to award financial aid. South Georgia Tech's school code is 005617.
- It is faster to sign the FAFSA electronically Apply at FSAid.ed.gov

FOLLOW UP ON ANY CORRESPONDENCE FROM SGTC

- You may be selected for verification by the federal processor. If so, you will receive an email requesting needed documents.
- Please submit any documents requested by the college as soon as possible to avoid delays in awarding financial aid.

How to obtain your tax transcript:

Students who are selected for verification and chose not to use or were unable to use the IRS Data Retrieval Tool will need to provide for the student and the parent/spouse, if necessary. 1040 Tax Forms are not accepted. Tax Transcripts come directly from the IRS and may take 5-10 business days to receive.

The following are available options to request a Tax Return Transcript:

1. IRS Transcript Request Link - http://www.irs.gov/individuals/article/0,,id=232168,00.html?portlet=105
2. IRS by phone at 1-800-908-9946
3. IRS by mail—form 4506-T—with instructions attached - http://www.irs.gov/pub/irs-pdf/f4506t.pdf

Final Approach

IMPORTANT DATES FOR STUDENTS

Spring Semester Nelnet Available
November 16, 2021

Last day to pay balance due on outstanding tuition and fees to avoid loss of classes
January 25, 2022

Classes dropped for non-payment
January 26, 2022

Spring Semester Registration & Orientation
January 10, 2022

First Day of Class
January 12, 2022

Last day to drop with refund
January 14, 2022

4th day of class—no refund for dropping
January 15, 2022

Last day of classes
May 5, 2022

Final Exams
May 6-10, 2022

Students dropping classes within three days of the start of each semester will receive a 100% tuition refund/credit. After three days, no refunds/credits will be awarded.

CREDIT CLASSES SGTC AMERICUS

Information provided in the Flight Plan is subject to change. *For an up-to-date class schedule, visit Banner Web on southgatech.edu. Salary ranges listed in program descriptions are an approximation.*

Accounting/Business Technology

The Accounting program prepares students for entry level careers in the accounting profession as accounts payable assistants, accounts receivable assistants, payroll assistants, and accounting assistants. Average starting annual salary ranges from $18,000 to $30,000.*

CREDIT CLASSES SGTC AMERICUS

Aircraft Structural Maintenance $500 Grant available! See page 4

The Aircraft Structural Maintenance certificate program is a sequence of courses that prepares students for careers in aircraft structure manufacture and repair. Learning opportunities develop academic, technical, and professional knowledge and skills required for job acquisition, retention, and advancement. The program emphasizes a combination of aircraft structural theory and practical application necessary for successful employment. Program graduates receive an Aircraft Structural Maintenance certificate and are qualified as aircraft structural specialists.

Aviation/Avionics Maintenance Technology $500 Grant available! See page 4

The Aviation Maintenance Technology program is designed to provide students with an introduction to the occupational area of aviation maintenance technology as practiced by the Federal Aviation Administration mechanic certificate holders with airframe and/or power plant ratings. The combined airframe and power plant curriculum is designed to provide students with the technical knowledge and skills required to diagnose problems and repair aircraft power plants, both reciprocating and turbine engines, their systems and components; airframes, metal, composite, and wood, and their systems and components. The average starting annual pay is between $35,000-$52,000 per year.*

Business Technology

The Business Technology program is designed to prepare graduates for employment in a variety of positions in today's technology driven workplaces. The program emphasizes the use of word processing, spreadsheet, and presentation applications software. Students are also introduced to accounting fundamentals, electronic communications, internet research, and electronic file management.

Attention Students:

To find out your SGTC email address,

check your orientation packet - your SGTC email address will be included.

To check your student email account,

visit www.southgatech.edu and click the "Student eMail" link at the top of the site.

Students who started on or after fall semester 2013 will log in using their student email address as their login and first letter of last name and 8 digit birthday followed by an exclamation point for the password.

Example:

User ID:
jdoe1@student.southgatech.edu
Password:
D01011995!

Students who were enrolled prior to fall semester 2013 will log in the student email address and their 6 digit birthday for the password.

Example:

User ID:
jdoe1@student.southgatech.edu
Password:
010195

Computer Information Systems $500 Grant available! See page 4

Students learn how to build, maintain, and repair microcomputers as well as install and manage various operating systems and application software. They are also equipped with customer service, project management, and systems development skills. Networking majors develop the skills of setting up, managing, and deploying peer to peer and client server networks, configuring switches and routers and installing network operating system architectures such as Microsoft Active Directory Services. A graduate from the CIS program could expect starting pay from $35,000 to $45,000.*

Electrical Systems Technology $500 Grant available! See page 4

The Electrical Systems Technology teaches the installation and maintenance of various electrical systems found in residential, commercial and industrial/manufacturing facilities. Training includes topics such as electrical safety, AC/DC theory, wiring methods, PLCs, motor controls, troubleshooting and the National Electric Code. Jobs have an annual salary ranging from $25,000 to $50,000 a year depending on your geographical location, experience, and level of expertise.*

Electronics Technology $500 Grant available! See page 4

Electronics Technology prepares you for employment as an electronics systems technician. Communications, industrial, medical, power distribution, military, law enforcement, and agriculture are all areas where electronics systems are used. Average starting annual pay is $35,000 per year where the average pay for an experienced technician is $50,000 per year.*

Courses focus on fundamentals of electricity, circuits, and function as well as troubleshooting/problem solving.

Fire Science Technology

The Fire Science Technology program prepares individuals for a career in the field of firefighting and assists fire service personnel at all levels to become better fire officers and leaders. Active learning opportunities in accordance with NFPA standards develop the academic, technical and professional knowledge and skills necessary to manage day-to-day fire department and emergency situations. The median range salary for a firefighter is $46,870.*

FERPA

Annual Notification

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records.

They are as follows:

- Right to inspect and review education record
- Right to request amendment of education records
- Right to consent to disclosures, with certain exceptions
- Right to file a complaint with the U.S. Department of Education

Procedures to inspect and review educational records, specification of criteria for determining who are school officials and what constitutes a legitimate educational interest can be found in the college handbook/catalog online on pages 32-34.

Welding & Joining Technology $500 Grant available! See page 4

Welding and Joining Technology prepares you for employment as a welding technician. Modern welding techniques are employed in the construction of numerous products: ships, buildings, bridges, recreational rides, airplanes, automobiles, farm equipment, home appliances, computer components, and hundreds of other products we use in our daily lives. Average starting annual pay is $30,000 per year and the average pay for an experienced technician is $70,000 plus per year. Courses focus on fundamentals of welding and cutting processes for both structural and pipe welding.

WIOA

Workforce Innovation & Opportunity Act

WIOA is a federally funded program designed to assist qualified students with training related costs such as tuition, books, and supplies while enrolled at SGTC. In some cases, a daily allowance is provided to those who qualify. The primary goal of WIOA is to train qualified students to become employed and self sufficient. The River Valley Regional Commission and the Workforce Innovation & Opportunity Board make federal funds available to SGTC.

Apply online at https://www.southgatech.edu/academics/academic-resources/workforce-innovations-opportunities-act/ or call the WIOA office

OR 229.931.2553

Openings are limited. Certain restrictions apply.

NETS

Sex Equity Program

The sex equity program at South Georgia Technical College is Project NETS" (Non-Traditional Education and Training for Special Populations) which, focuses on increasing the success of non-traditional students. Project "NETS" assists students who qualify with activities associated with enrollment, such as tutoring, tools and supplies. For more information, you may contact the Special Services Coordinator, located in room 200 of the Odom Center - Americus campus, or call 229-931-2595.

SGTC named the Best Community College in Georgia for third year in a row

South Georgia Technical College has earned the top spot as the Best Community College in Georgia for 2022 by Niche, announced SGTC President Dr. John Watford. This is the third consecutive year that South Georgia Tech has earned this distinction. Niche's Best College rankings for 2022 for Georgia can be found at: https://www.niche.com/colleges/search/best-community-colleges/s/georgia/

In addition to being named the Best Community College in Georgia for the third consecutive year, SGTC was also listed as the 48th best community college in America. A total of 845 colleges in the U.S. were reviewed by Niche.com for these rankings. The SGTC Culinary Arts program also ranked 34th in the nation.

"South Georgia Technical College has a tremendous reputation for providing an outstanding two-year education that prepares students for the workforce," said South Georgia Technical College President Dr. John Watford. "We are very pleased that Niche has ranked us as the number one community college in Georgia for three consecutive years. This provides external validation about the quality and excellence in technical education that we provide."

Dr. Watford gave credit to the community as well as the faculty, staff, and students at South Georgia Technical College. "This ranking is a testament to the faculty, staff and students at South Georgia Technical College and to our business and industry partners. Students attend South Georgia Technical College because of the outstanding faculty and staff here who continuously work for the betterment of students. Our professionals are helping students enroll, remain in classes, and become educated and trained for the careers of their choice. Then we work with business and industry partners to help place students in the workplace. This type of cooperation and hard work is what has helped us to be the top community college in Georgia for the third consecutive year."

He also complimented SGTC Culinary Arts Instructor Chef Ricky Watzlowick on the Americus campus, who was the college's 2021 Rick Perkins Instructor of the Year, and Chef Hunter Little on the Crisp County campus for their work with students to earn the national ranking in the Culinary Arts field. SGTC was the highest rated Culinary Arts program in Georgia. Savannah Technical College in Savannah, GA was the only other Georgia college recognized as being one of the top 50 colleges for Culinary Arts and they were listed as 36th in the nation.

South Georgia Technical College President Dr. John Watford (r) is shown above talking with students and employees during a college registration and orientation session.

Niche is a website that rigorously analyzes dozens of public data sets and millions of reviews to produce comprehensive rankings, report cards, and profiles for every K-12 school, college and neighborhood in the U.S. Niche has over 100 million reviews and poll responses with transparent statistics needed to help find the right college or school for individuals.

Niche assessed 1,223 colleges. For the purpose of this ranking, community colleges include public post-secondary institutions where the majority of the degrees conferred are two-year or fewer. Statistics were obtained from the U.S. Department of Education.

The factors considered for the ranking included statistics such as: academics, average loan amount, alumni earnings, student surveys regarding value, awards won by faculty, student-faculty ratio, student surveys regarding professor quality, grades including retention and graduation rates, and overall student experience. Other factors included: the ethnic composition of the student body, proportion of international students and out-of-state students as well as information from the area such as median rent, local crime rates, access to amenities, campus crime rate, and health and safety services on campus.

The Georgia Institute of Technology (Georgia Tech), Emory University, the University of Georgia, Mercer University and Agnes Scott College topped the list for the four-year colleges and universities. The state of Georgia is home to more than 60 colleges and universities, including 30 schools under the University System of Georgia (USG), and 22 schools within the state's technical college system. There are also a number of private and for-profit colleges operating in the state.

"South Georgia Technical College is an excellent choice for an individual that is interested in finding the career of a lifetime. We offer students the 'complete college experience' with over 200 different associate degree, diploma, or technical certificate of credit programs that individuals can choose from," said Dr. Watford.

Partnerships with industry leaders such as Caterpillar, John Deere, Georgia Power, Delta, and others have helped the college to earn world-wide recognition in graduating students in heavy equipment technology while also taking advantage of the complete college experience including on-campus housing, a full-service cafeteria, men's and women's intercollegiate basketball, intramural sports, and clubs and student organizations. The college also highlights particularly successful students through its Student of Excellence program and by participation in the Georgia Occupational Award of Leadership (GOAL). The college has also had students nationally recognized in its SkillsUSA, National Technical Honor Society, and Phi Beta Lambda organizations.

One student posted, "my experience at South Georgia Technical College was absolutely astonishing. The instructors were so kind and helpful. What I like most about the college is the Move On When Ready Program (MOWR) that is offered. It is a great way for students to receive college and high school credits while still attending high school."

Other students posted, "great experience, advisers and instructors work with students to meet their educational needs. My time here has been awesome. And fun, laid back teachers are very helpful. Classes are fun. There are fun activities on campus and the basketball teams are awesome!"

To apply or for more information contact the SGTC admissions office at 229-931-2394 in Americus or 229-271-4040 for the Crisp County Center campus. Spring Semester begins January 12th.

STUDENTS of Excellence

Each month, students from certain divisions selected for that month are nominated for the Student of Excellence award by their instructors. The winner is selected based on grades, work ethic, participation in clubs and organizations, and amount of program completion. The Student of Excellence receives a plaque of recognition and a financial award. Each nominee is presented with a certificate and a South Georgia Technical College Student of Excellence T-shirt.

SAMUEL COVER
Precision Machining and Maufacturing

"I appreciate the honor of being chosen as the Student of Excellence."

SGTC Student of Excellence overall winner Samuel Cover (left) and nominees (top row) Antonio Myrick, Christopher Stephan, Jesus Mendoza, (bottom row) Kelli Rees, Lonnie Rogers, and Austin Carpenter.

GINGER MONEY
Early Childhood Care and Education

"It was an honor being nominated. I'm glad to be able to represent the Early Childhood program."

SGTC Student of Excellence overall winner Ginger Money (left) and nominees (top row) Sani Aliyu, Chanda Deriso, Jameelah Williams, (bottom row) Charlie Laster, Tyras Washington, and Coronda Williams.

KIARA BRYANT
Accounting

"Mrs. Boone worked with me and made sure I wasn't left behind even when I had to take care of my son."

SGTC Student of Excellence overall winner Kiara Bryant (left) and nominees (top, l-r) Drake Weldin, Jy'Mia Fann, and (bottom) Matija Milivojevic.

JAKOB EUBANKS
Automotive Technology

"I'm honored and kind of surprised to be honest. I come in and I do my work, but I figure that's what I should be doing anyhow."

SGTC Student of Excellence overall winner Jakob Eubanks (left) and nominees (top row) Jamaine Thomas, Ryan Bruckerhoff, (bottom row) Chase Norris and Houston Stewart.

How to Register for Classes at SGTC's Crisp County Center

1. **If you plan to take classes at SGTC in Americus and Crisp County,** register for all classes at the Americus campus. This will avoid duplication of fees.
2. **If you plan to take classes at the Crisp County Center only,** you may register for classes at SGTC in Americus or Cordele.
3. **Remember: the same registration process takes place on both campuses.** Do not register at both campuses!

Note:

Class offerings, teacher assignments, and fees are subject to revision and/or cancellation without notice.

Consequently, the listing of information in this bulletin is not an assurance that the information will be offered as printed.

CREDIT CLASSES SGTC CORDELE

Criminal Justice Technology

The Criminal Justice program teaches a combination of Criminal Justice theory and practical application necessary for successful employment. There are a number of career opportunities in the criminal justice field in our area such as dispatchers, jailers, correctional officers, court clerks, records clerks, police officers, deputy sheriffs, and probation officers.

Welding and Joining Technology $500 Grant available! See page 4

Welding and Joining Technology prepares you for employment as a welding technician. Modern welding techniques are employed in the construction of numerous products: ships, buildings, bridges, recreational rides, airplanes, automobiles, farm equipment, home appliances, computer components, and hundreds of other products we use in our daily lives. Average starting annual pay is $30,000 per year and the average pay for an experienced technician is $70,000 plus per year. Courses focus on fundamentals of welding and cutting processes for both structural and pipe welding.

SOUTH GEORGIA TECHNICAL COLLEGE

MISSION STATEMENT

As a member of the Technical College System of Georgia and a residential institution of higher education, it is the mission of South Georgia Technical College to prepare individuals for success in the workforce by providing accessible, high-quality associate of applied science degrees, diplomas, technical certificates of credit, and non-credit programs and services that support the needs of citizens, businesses, and industries within our service delivery area in Southwest Georgia.

Statement of Purpose

To realize the distinctiveness of its mission, South Georgia Technical College is committed to:

- Providing a broad range of campus based and online instructional credit courses that lead to an associate of applied science degree, diploma, or technical certificate of credit as well as non-credit course offerings and services which support workforce development
- Supporting learner success through quality student services
- Promoting economic development through partnerships with business, industry, government, and local communities
- Providing accessible educational facilities and state-of-the-art equipment and technology
- Providing a qualified faculty and Staff
- Providing administrative support through analysis, planning, and budgeting

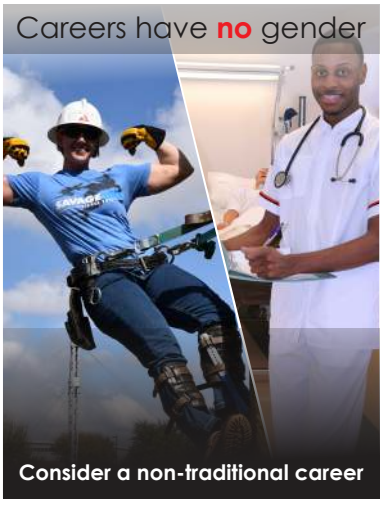
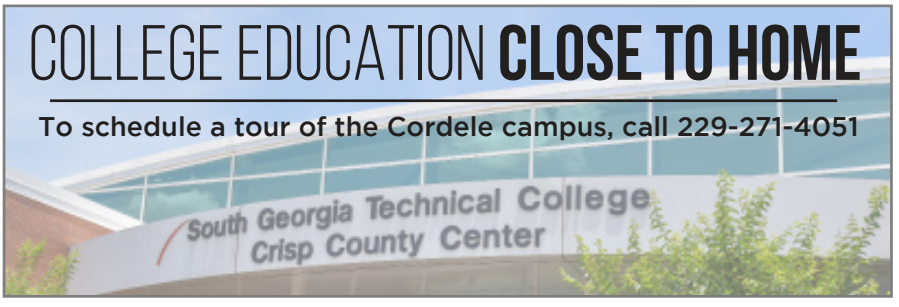
PUBLIC NOTICE

The Technical College System of Georgia and its constituent Technical Colleges do not discriminate on the basis of race, color, creed, national or ethnic origin, sex, religion, disability, age, political affiliation or belief, genetic information, disabled veteran, veteran of the Vietnam Era, spouse of military member, or citizenship status (except in those special circumstances permitted or mandated by law). This nondiscrimination policy encompasses the operation of all technical college-administered programs, programs financed by the federal government including any Workforce Innovation and Opportunity Act (WIOA) Title I financed programs, educational programs and activities, including admissions, scholarships and loans, student life, and athletics. It also encompasses the recruitment and employment of personnel and contracting for goods and services.

The Technical College System and Technical Colleges shall promote the realization of equal opportunity through a positive continuing program of specific practices designed to ensure the full realization of equal opportunity. The following person has been designated to handle inquiries regarding the nondiscrimination policies:
Title IX Coordinator, Eulish Kinchens, 229.931.2249 or ekinchens@southgatech.edu; or the Section 504/ADA Coordinator, Jennifer Robinson 229.931.2595 or jennifer.robinson@southgatech.edu.





TECHNICAL EDUCATION GUARANTEED
WARRANTY STATEMENT

The Technical College System of Georgia (TCSG) has developed curriculum standards with the direct involvement of business and industry. These standards will serve as the industry-validated specifications for each occupational program. These standards allow Georgia's technical colleges to offer their business partners this guarantee:

> *"If one of our graduates, who was educated under a standard program, and his or her employer agree that the employee is deficient in one or more competencies as defined in the standards, South Georgia Technical College will retrain that employee at no instructional cost to the employee or employer."*

This guarantee applies to all graduates of SGTC who are employed in the field of their training. It is in effect for a period of two years after graduation.

Financial AID

New students need to apply for the current financial aid award year. Go online at www.fafsa.gov and complete the 2021-2022 FAFSA Application. Apply now! Computers available in the Financial Aid offices.

FEDERAL PELL GRANT

Amount: Depending on need analysis and enrollment status, amount ranges up to $3248 per semester and may not exceed $9744 for the award year. Pell award may be divided among fall, spring, and summer semesters.
Eligibility: A student must be enrolled as a credit student in an eligible program and maintain satisfactory academic progress. Also, the student cannot be in default of a Federal student loan and must be a U. S. Citizen or permanent residential alien. Student must also have a High School Diploma or GED.

FEDERAL WORK STUDY JOB

Amount: Dependent upon availability of funds and hours worked.
Eligibility: Student must be eligible for the Federal Pell Grant and complete a Work Study Application. Student must be selected for employment.

GEORGIA HOPE GRANT

Amount: The HOPE Grant will cover $76 per semester hour for eligible students.
Eligibility: Applicants must meet the requirements to be classified as a Georgia resident according to the GSFC in-state tuition policies. A student must be enrolled as a credit student in an eligible program and maintain satisfactory academic progress. Also, the student cannot be in default of a Federal student loan and must be a U.S. Citizen or permanent residential alien. All males over the age of 18 must be registered with the Selective Service. Students must have a cumulative 2.0 GPA after their first 30 HOPE Grant Paid-Hours and again after 60 HOPE Grant Paid-Hours to remain eligible for HOPE Grant.

GEORGIA HOPE SCHOLARSHIP

Amount: The HOPE Scholarship will cover $76 per semester hour for eligible students.
Eligibility: Applicants must meet the requirements to be classified as a Georgia resident according to the GSFC in-state tuition policies. Student must complete an Institutional Application for HOPE Scholarship. First-time applicants may only receive HOPE Scholarship during the first seven years after they graduate from high school or attain their GED. Student must be a final HOPE Scholar from an eligible high school or have maintained a "B" average after the college semester in which you have attempted 30 semester hours of degree credit. Applicants must not have earned a bachelor's degree or have attempted more than 127 semester hours of college credit. A student must be enrolled as a credit student in an eligible program and maintain satisfactory academic progress. Also, the student cannot be in default of a Federal student loan and must be a U.S. Citizen or permanent resident alien. All males over the age of 18 must be registered with the Selective Service.

ZELL MILLER SCHOLARSHIP

Amount: The Zell Miller HOPE Scholarship will cover $100 per semester hour for eligible students.
Eligibility: In addition to meeting all HOPE Scholarship requirements, student must have graduated from an eligible high school with a 3.7 GPA and an SAT score of 1200 or student must have graduated as a valedictorian or salutatorian while meeting all HOPE Scholarship eligibility requirements.

ZELL MILLER GRANT

Amount: The Zell Miller HOPE Grant will cover $100 per semester hour for eligible students, and $125 per semester credit hour for Commercial Truck Driving and $100 per semester credit hour for Basic Law Enforcement.
Eligibility: In addition to meeting all HOPE Grant requirements, student have a minimum of 3.5 cumulative GPA in postsecondary classes. There is no high school GPA requirement. Students who earn a 3.5 or better at the end of their first semester will be eligible for the Zell Miller Grant their second semester. Students must maintain a minimum 3.5 GPA at the end of each subsequent semester to continue to qualify.

HOPE CAREER GRANT

See page 4 of the Flight Plan for details about the HOPE Career Grant (formerly Strategic Industries Workforce Development Grant).

* Georgia GED graduates may be eligible to receive the **$500 HOPE GED Grant** to use toward post-secondary education at a technical college in Georgia.

ADULT EDUCATION OFFICE: 229.931.2565
GED EXAMINER: 229.931.4998

How to Apply for Admission to South Georgia Technical College

1. Submit a completed application, along with a one-time $25 non-refundable application fee.
2. Provide official high school/GED/college transcript(s).
3. Provide proof of residency and picture ID.
4. *Schedule an appointment to take the Accuplacer placement exam if needed.
5. Apply for Financial Aid (HOPE and Pell).
6. Receive acceptance letter and final instructions from SGTC Admissions Office.

*The placement exam is designed to determine the applicant's reading, writing and math skills in order to guide the student in educational and career decisions. It is not designed to be a hindrance or barrier to enrollment in a program. **Exceptions in lieu of the placement exam are:**

Degree Program	Diploma Program
SAT scores of 25 critical reading, 26 writing/language and 24 math (post March 2016)	SAT scores of 24 critical reading, 25 writing/language and 22 math (post March 2016)
ACT scores of 17 reading, 16 English, 19 math	ACT scores of 13 reading, 12 English, and 17 math
Accuplacer scores of 70 Sentence Skills, 64 Reading Comp, 57 Elem. Algebra	Accuplacer scores of 60 Sentence Skills, 55 Reading Comp, 34 Arithmetic
PSAT scores of 23 reading , 24 writing, 22 math	PSAT scores of 22 reading, 23 writing, and 20 math
HOPE GPA 2.6 or higher	HOPE GPA 2.6 or higher
GED scores of 165 English and 165 math	GED scores of 165 English and 165 math

Accuplacer test results will be discussed with you immediately following testing. Student Affairs counselors will be available to answer questions regarding your scores, registration, Veteran's Affairs, financial assistance, transfer credit and special programs, such as equity, special needs, and WIOA.

Spring 2022 and Summer 2022 Admissions Update: ACCUPLACER testing requirements will be waived for applicants for the upcoming Spring 2022 and Summer 2022 semesters. **Although the ACCUPLACER will be waived, students will be required to meet other criteria as listed herein. If applicants do not have requirements herein, above, we will review a student's high school transcript for appropriate College Placement Scores.

Information concerning programs offered or the admissions process is available through the Student Affairs office:
